This is an excellent book on self-acceptance, performance-confidence, and gaining the respect of others. It is well written and short (100 pages) which helps in focusing on the development of the message. I think Hauck's presentation of the topic is sound and realistic. It includes many good examples from his work with clients.

Beyond self-love Smith discussed that to explain the motivation for economic exchange in the market, we do not have to invoke any objective other than the pursuit of self-interest. In the most widely quoted passage from The Wealth of Nations , he wrote: "It is not from the benevolence of the butcher, the brewer, or the baker that we expect our dinner, but from their regard to their own interest.

Beyond Self-Love - Decline of the Empire

By only prioritizing self-care, and neglecting to try self love, I was doing the same thing to myself. I was convincing myself that all my needs were being met because I was going above and beyond to make myself feel good through treats and rest and bubble baths, but I wasn't getting to the true root of the problem.

Every major world religion encourages something beyond self-improvement. However, what I think has, thus far, been somewhat underexplored is the transition from one mode (overcoming struggles, self-improvement) to another mode (service, mastery, creativity) as the dominant form of motivating tension in your life.
