The HP Service Manager is one of the applications acquired by HP when it purchased Peregrine Systems

Read Online Hp Service Manager Guide

in 2005. The application was originally known as PNMS. After releasing the first version of PNMS, Peregrine Systems eventually added functionality such as Request Management, Call Management, and Change Management and rebranded the application as Peregrine ServiceCenter. After the acquisition by HP, the application was rebranded as HP Service Manager and was included in the HP OpenView product su
