Magnesium Oil versus Magnesium Tablets Magnesium Oil is

the best way to get magnesium, because it is in the most

abundant form found in nature, and the human body finds

it easy to absorb via the skin. The problem with magnesium

tablets and capsules is they can have a laxative effect when

taken at therapeutic doses.

Resources. Gabon depended on timber and manganese until oil was discovered offshore in the early 1970s. The oil sector now accounts for 50% of GDP and 80% of exports. Although there have been recent offshore finds, oil production is now declining from its peak of 370,000 barrels per day (59,000 m<sup>3</sup> /d) in 1997, and periods of low oil prices have had a negative impact on government revenues and ...
