The Renaissance began in towns and cities in Italy and then spread across Europe. One of the causes of the Renaissance was an increase in trade with the East. In the Late Middle Ages, returning crusaders brought back new goods and ideas from Asia. Trade routes were soon established.

**The Renaissance began in towns and cities in Italy and.com**

In time, the Renaissance influenced people far from the Italian peninsula. Italian Renaissance painters often focused on religious subjects, but the art of the low countries of northwest Europe was more concerned with portraits, landscapes, and scenes of everyday life. This was partly because most people of the low countries were Calvinists.
