The news feature is just what the name implies: a feature article that focuses on a topic in the news. News features are often published in the main news, or "A" section, or the local news, or "B" section, of a paper. These stories focus on hard-news topics but aren't deadline stories. They bring a softer writing style to hard news. These articles often are people stories, focusing on individuals behind the news, and they often seek to humanize a set of statistics.
