The Highway Rat (TV Short 2017) - IMDb

The Highway Rat has been pilfering... robbing all animals attempting to use the road of their foodstuffs in a bid to find himself some tasty (and sweet!) things to eat. This tribute to Alfred Noyes' 'The Highwayman' looks pretty enough, but really doesn't have the same kind of flow to it as past Julia Donaldson efforts such as 'The Gruffalo', 'Monkey Puzzle', 'Room on the Broom' and 'Tiddler'.

The highway rat is a about a rat who steals food from all of the other animals who live on the highway but meets a clever little duck who serves up some comeuppance. □The Highway Rat□ is a disappointing story from the creators of □The Gruffalo.□ This book does have a great rocking rhyme although it does become a bit flimsy in some areas.
